

March 13, 2020

Dear Friends,

The health and safety of our beloved community is HopeWell's top priority, and therefore we have made the following decision:

**All programming at HopeWell Cancer Support is suspended as of today, Friday, March 13th.**

All of us share the disappointment that in this critical time – when community means so much – we are unable to gather in person.

**However, we want to assure you that we are still here for you.** If you need a listening ear or support, we will be available:

- by email at [cancerhelp@hopewellcancersupport.org](mailto:cancerhelp@hopewellcancersupport.org) and
- by phone at 410-832-2719.

We deeply appreciate your patience as we do our best to address your questions and concerns in a timely manner.

The wonderful essence of HopeWell is that we are our own community – no matter where we are. Each of you is a treasured thread in the fabric of our “family” and we intend to stay connected while physically apart.

Thank you, everyone! We will get through this. In the meantime, take good care of yourself and your family, friends and neighbors. And stay in touch!

With gratitude,  
*All of us at HopeWell*

p.s. For regular updates, please open your **HopeWell Happenings** emails and follow us on Facebook at <https://www.facebook.com/HopeWellCancerSupport/>
